

# COOPERATION MEMORANDUM

Date: 21 December, 2015

Place: Shanghai

## Cooperation Parties:

Shanghai Elevator Trade Association (SETA)

National Lift Union (NLU)

Draft Party: Shanghai Elevator Trade Association (SETA)

## Background:

Shanghai Elevator Trade Association (SETA) suggested to meet during 2015 Interlift in Augsburg, German, and had friendly communication and exchange with NLU on common issues of elevator industry. Both parties expressed the good wish to establish the good relationship and strengthen the ties to cooperate in the near future. Therefore, SETA drafts this initial Cooperation Memorandum according to consensus during the meeting.

## Content:

1. Establish the platform for communication and exchange between associations and member companies to know more about the demand and cooperation suggestions.
2. Communicate and exchange information (technology, standard, regulation, certification, inspection, patent, market and so on) by means of own publication and e-newsletters regularly for the purpose of pushing forward the cooperation.
3. Assist own member companies to market and explore in the other party's market.
4. Provide consulting service to the party when it launches events and activities or publicity activities at the other party's country.

**PS.** If any party has more suggestions to cooperate with the other party, we can discuss further about the details on basis of this cooperation memorandum.
